What is a “fair share”?

We have looked up the income profile for Encinitas, which is less affluent than Solana Beach and Del Mar. It is interesting to note that, if the income of our membership matches the profile for Encinitas, and we pledge according to the Supporter category of UUA's Fair Share Guide below, we would raise \$140,000 more than last year's \$255,000.

UUA's Fair Share Giving Guide

Adjusted Annual Income	<i>Supporter</i> <i>The Fellowship is a significant part of my life and promotes my spiritual growth</i>			<i>Visionary</i> <i>I am committed to both the present and future growth of my Fellowship</i>		
	Suggested % of Income	Monthly Payment	Annual Payment	Suggested % of Income	Monthly Payment	Annual Payment
\$10,000	2%	\$16	\$200	5%	\$42	\$500

We each live our lives at such a frantic pace. Always looking for more money, more time, more energy, more, more, more. At this time, let's stop and evaluate what is truly important to us. How can we invest our time, our energy, and our money to support our values? Our Fellowship offers such an opportunity.

Suppose our 2012 Pledge Drive brought in \$25,000 more—\$50,000 more—\$100,000 more. Working with other churches and community organizations, we could

- Feed more hungry people and shelter more homeless.
- Build more homes for those in our community and Mexico.
- Develop a community volunteer bank.
- Increase our religious education experiences for all ages.
- Expand our music, guest speakers, plays, and other artists offerings.

We can make our dreams a reality.

We are a caring community with many shared dreams. We want to make a difference – within our Fellowship and in the broader community. We want to maintain our existing facilities and ensure that our existing staff receives fair compensation. With increased pledges we can do that and so much more.

Giving Hands, Caring Hearts

Our annual pledge drive enables us to feed our souls, to nurture our community, to help heal our planet.
