

UUFSD Religious Education Registration Form 2013-2014

Welcome! We are excited that your child will be joining us in RE this year. The RE year runs from approximately mid-September until mid-June. Attention to the following critical guidelines will ensure a positive experience for all:

- Regular attendance makes a big difference in your child’s religious education. It helps establish friendships with other students and provides a sense of continuity along with enriching the community.
- Our RE program is a cooperative effort. ****All**** parents/guardians are expected to volunteer at least 2 hours each month. Indicate your preferences below or see our online sign-up: <http://www.signupgenius.com/go/10C0D4FA5A829A5F85-uufsd>
- We request a voluntary contribution to help offset the cost of supplies and snacks. The suggested contribution is \$40/child per year, but all contributions will be gratefully accepted. You may donate on our website by credit card at this link: <http://uufsd.org/children-youth/re-registration/>, or by mailing a check to the address in the box above, or bring a check on Sunday.
- You are giving us permission to post photos on our website. We will not use last names.
