Conflict

A conflict is defined as a serious friction, disagreement or opposition between two or more people, typically a protracted one. Your submission will remain confidential within the Committee on Ministry until you have been reached to decide upon the best course of action.

Person or group of people you are in conflict with: _____

Briefly describe the conflict: _____

What efforts have you taken to resolve the conflict? _____

Is the other party aware of this conflict? _____

Are you willing to participate in the conflict resolution process? Yes No

Concern

A concern is defined as a matter of interest or importance to someone, or a cause of anxiety or worry that is directly related to the Fellowship. Your complaint will remain confidential within the Committee on Ministry unless otherwise agreed upon by you.

Briefly describe your concern: _____

Signature: _____
