

Meet the Minister!

The culmination of the ministerial search process is Candidating Week, followed by a congregational vote whether to invite Rev. Meghan to be our settled minister. In order to make sure members have a chance to get to know Meghan, we scheduled a series of meetings and social events leading up to the congregational meeting. Especially if you have any concerns or questions about Rev. Meghan, we encourage you to attend the meeting addressing your area of interest, or make an appointment to meet one-on-one with Meghan. You may also meet with any of the Search Committee members for a confidential discussion.

So, here's the plan you've been waiting for. **Sign up on the patio, please** or email search@uufsd.org (*it works now*).

Personal meetings – Rev. Meghan will hold “office hours” by appointment starting now, for anyone wanting to talk. Contact her directly to schedule an appointment.

Thematic meetings -- Each of these meetings has a theme or focus and is open to anyone interested in that topic.
