

# **UUFSD Religious Education Registration Form 2017-2018**

Welcome! We are excited that your child will be joining us in RE this year. The RE year runs from approximately mid-September until mid-June. Attention to the following critical guidelines will ensure a positive experience for all:

- **Regular attendance** makes a big difference in your child’s religious education. It helps establish friendships with other students and provides a sense of continuity along with enriching the community.
- We request a voluntary contribution to help offset the cost of supplies and snacks. The suggested contribution is \$40/child for members, \$60/child for non members, all contributions will be gratefully accepted. You may donate on our website by credit card at this link: <http://uufsd.org/children-youth/re-registration/>, or by mailing a check to the address in the box above, or bring a check on Sunday.
- You are giving us permission to post photos on our website. We will not use last names.

The undersigned parent or legal guardian:

1. Authorizes the supervising adult(s) in the UUFSD RE Program to seek emergency medical treatment for their registered children when deemed necessary. This consent is effective through Aug 31, 2018.
2. Agrees that their registered children through Grade 3 may only leave the RE classroom when accompanied by the above-listed parent(s)/guardian(s). Older children may be released to join their family in the core area after class. Please describe any exceptions to this under special issues or on the back of this form.

★ Did we mention **REGULAR ATTENDANCE** is greatly encouraged?  
(Alison gets really sad when she doesn’t see the students.)
