

Pastoral Care Request Form

At UUFSD we are committed to responding to emergencies affecting our community by mobilizing our neighborhood care teams to assist with meals, transportation, and memorial services when needed. As an extension of our minister's pastoral care presence, we identify and respond to people in need of caring attention and are available to visit members, who are unable to attend services, in their home, the hospital or other facilities.

Care Team Services

- Meals on a short term basis
