Dear Community Contributions Organization:

Thank you so much for your ongoing support of Ralphs. With your help and the support of your members and friends, Ralphs is proud to report that we contributed almost \$3 million this past year through our Community Contributions Program to valued community organizations such as yours. We are equally pleased to tell you that Ralphs is committed to giving another \$3 million during the next 12 months.

To reach that goal, we will need to count on your continuing participation and partnership. On our end, we pledge to make the Community Contributions Program as easy to use and as effective as possible. We truly believe it is an unmatched opportunity for your members to show their support and strengthen their favorite not-for-profit.

Our new program year began on September 1, 2009. If you have not yet registered for the new term, and to ensure you continue to receive the benefits of the program, your members will need to register and/or re-register as quickly as possible. It is important for us to have up-to-date information. Update your organization contact information by sending an email to [community.programs@ralphs.com](mailto:community.programs@ralphs.com)

**Please pass the following information on to all your members, family and friends who would like to participate:**

1. Participants are required to register for the new term at [www.ralphs.com](http://www.ralphs.com) or by using a scan bar letter (see instructions below in order to obtain a scan bar letter) at the register starting September 1, 2009.
2. Even if your participants registered as recently as June, July or August 2009, they will be required to register again beginning September 1.

For your convenience, attached are the step-by-step website registration instructions. Please feel free to make copies and distribute them to your participants. If you would like to receive your customized scan bar letter, which is our alternative form of registration, please email your request to [community.programs@ralphs.com](mailto:community.programs@ralphs.com)
