

Dear Visitor,

We are glad you are visiting and invite you to return often. We currently meet via Zoom every Sunday at 10:00am.

Unitarian Universalism is not based on creed, but on the following seven principles:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement of spiritual growth;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of democratic process;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence.

Religious Education (RE) classes for youth and children address those values and our RE Director holds Zoom classes regularly. Please see our newsletter for the schedule.

Newcomer Orientation is held quarterly for those seeking a deeper understanding of Fellowship and who wish to learn about the privileges and responsibilities of membership. Contact us to learn more.

Services vary weekly; please visit again!

## Land Acknowledgement

As a UU congregation, we are guided by the principles of our faith, including the 8th Principle, which calls on us to take action to dismantle racism in ourselves and our institutions in order to build a diverse multiracial Beloved Community.

To that end, we take a moment to acknowledge the land on which we stand today as the traditional home of the Luiseño and Kumeyaay people, including all of the 18 tribes and bands within the Kumeyaay nation here in San Diego County.

We honor their history, and commit to dismantling the Colonial systems that act as barriers to justice for Indigenous people both in the present and for the future. May that vision inspire us to open our hearts and transform us to a congregation of action. Amen.
