***Immediately following today’s service, we will have an All Congregational Meeting. We ask all voting members to please remain with us on Zoom as we need a quorum to vote on several items, including the new Board, the yearly budget, and whether to adopt the 8th principle.***

 UUFSD is a welcoming congregation

**Racial Justice Task Force Reminder: Upcoming 8th Principle Vote!**  
**TODAY, Sunday, June 13th**

On June 13th at our Congregational Meeting, we will vote on whether or not UUFSD should adopt the 8th Principle.

The 8th Principle names our commitment to confront racism and other forms of oppression.

The UUA has not voted to adopt the 8th Principle yet; the wording of the final version passed by the UUA will likely be different, but we expect the essence to remain the same.

For more information, please visit <https://www.8thprincipleuu.org>  
If you would like to chat about the 8th Principle, please email Hannah:

**Monthly Call To Action for June**

Broadband access isn't just an internet issue. It's a racial justice and systemic equality issue. Millions of people across the US are without broadband access, and are disproportionately Black, Latinx, Indigenous, rural, or low-income. Being without this necessity means being without access to employment, education and vaccine resources.

The Accessible, Affordable Internet for All Act (S. 745) will expand broadband access to those households struggling to afford broadband. Affirm the inherent worth and dignity of every person by calling your US Senators and asking them to support this legislation. Sample call script: "Hi. My name is [NAME] and I am a constituent from [CITY, ZIP CODE]. I am calling to ask Senator [NAME] to support The Accessible, Affordable Internet for All Act (S. 745). Thank you." Senator Alex Padilla (202)224-3553/(619)239-3884; Senator Dianne Feinstein (202)224-3841/(619)231-9712.
