Climate Action Task Force Monthly Meeting **Wednesday, September 1st, 4:00-5:00pm via Zoom**

As a recent article in The Guardian put it, we may be baffled by those who are in denial about vaccines and masks, but if we, in our turn, accept the science marshaled by the IPPC "that sea level is rising, the polar ice is melting, there are floods, droughts and heatwaves and that human activity is unequivocally the cause," and do not in turn change our own behavior, we are every bit as much in denial. Please join us for our monthly meeting where we work together to discern and promote actions we can take to preserve the livability of the planet for ourselves and future generations.

If you can't make the meeting, join our information list serve by writing to ClimateAction@uufsd.org and asking to be added to the list. Contact Sarah Miller at sarahlockwoodmiller@gmail.com for Zoom meeting information.

Our Indigenous Neighbors - Change in Format! **Wednesday, September 8th, 7:00-9:00pm**

Calling all life-long learners who want to discover more about the Kumeyaay, Luiseno, and Cupeno Peoples with whom we share our beautiful home.

We still plan a movie night on September 8th from 7-9 pm, but from the comfort of your home. Facilitated by Alison, our religious education guru, we will watch and discuss an Emmy-award-winning video together on Zoom. In it, individuals from local tribes describe some of their views, history and practices. We are initially planning a three-session series (9/8, 9/22 and 10/6) where we can read and learn together. Or you can just check out the first movie to gauge your interest. We also have some ideas for field trips or volunteerism, depending on the direction we take. We believe it's our job to educate ourselves as informed citizens and compassionate allies before jumping in. Please RSVP by emailing Mary Anne Trause (trause@comcast.net).

Nature is the Balm We All Need **September 13th, 6:30 - 8:00pm**

The Eight Master Lessons of Nature: What Nature Teaches Us About Living Well in the World by Gary Ferguson (2019). This book is our discussion topic for the 2nd Monday Book Club on September 13th at 6:30pm at UUFSD in the Palmer Library. Please join us - even if you haven't before - to share how you connect to nature and if it upholds your spirit and freshens your convictions.

Comments or questions should be directed via email to bookclub@uufsd.org. You can also call or text Cathy Leach-Phillips at 650 224-1974.

Centering Hymn and Covenant
#30 Fuente de Amor / #123 Spirit of Life *Marshall Voit*

Words and music by Carolyn McDade
Spanish lyrics by Ervin Barrios

Fuente de Amor, ven hacia mí.
Y al corazón, cántale tu compasión.
Sopla al volar, sube en el mar,
Hasta moldear la justicia de la vida.
Arráigame, libérame,
Fuente de Amor, ven a mí, ven a mí.

Spirit of Life, come unto me.
Sing in my heart all the stirrings of compassion.
Blow in the wind, rise in the sea;
Move in the hand, giving life the shape of justice.
Roots hold me close; wings set me free;
Spirit of Life, come to me, come to me.

Fellowship Covenant

“May love be the spirit of this congregation;
May the quest for truth be its sacrament.
And service be its prayer;
To dwell together in peace,
To seek knowledge in freedom,
And to help one another in fellowship.
This is our Covenant.”
