

Unitarian Universalist Fellowship of San Dieguito Generosity Sunday Policy

One of the ways our congregation participates in outreach and social justice work is to designate four Sundays a year as generosity Sunday. Members can initiate grant recipients by contacting the appropriate Social Justice Program Coordinator with their recommended organization for consideration.

Request Form

Beneficiary considerations begin with the submission of an application. Downloadable applications are available on our website at: <http://uufsd.org/social-action/generosity-sundays/>.

Beneficiary Selection

Unfortunately, UUFSD will not be able to support the important work of all worthy organizations that apply. Our selection is guided by the following criteria.

1. Alignment with Unitarian Universalist values.
2. Past, current, or future congregation member volunteer involvement.
3. Percentage of organization's budget that goes to programs versus administrative costs. GS applicants may request program or general operations support.⁴
4. UUFSD general operations are not eligible for GS funding.

Annual Requests

Organizations not selected during one selection process may be reconsidered during another selection process.

Social Justice Action Project

UUFSD may undertake a congregation-sponsored social justice project for which GS funds may be designated.
