

Unitarian Universalist congregations affirm and promote eight Principles, which we hold as strong values and moral guides.

We live out these Principles within a “living tradition” of wisdom and spirituality, drawn from sources as diverse as science, poetry, scripture, and personal experience.

- 1) The inherent worth and dignity of every person;
- 2) Justice, equity and compassion in human relations;
- 3) Acceptance of one another and encouragement to spiritual growth in our congregations;
- 4) A free and responsible search for truth and meaning;
- 5) The right of conscience and the use of the democratic process within our congregations and in society at large;
- 6) The goal of world community with peace, liberty, and justice for all;
- 7) Respect for the interdependent web of all existence of which we are a part;
- 8) Journeying toward spiritual wholeness by working to build a diverse and multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

"Caring for Our Whole Selves as We Prepare for the Election With Music!"

Prelude

Katie Klaerich

Gathering Song: "Three Little Birds"

By Bob Marley

"Don't worry about a thing
'Cause every little thing is gonna be alright"
Singing, "Don't worry about a thing
'Cause every little thing is gonna be alright!"

Rise up this morning, smiled with the rising sun
Three little birds pitch by my doorstep
Singing sweet songs of melodies pure and true
Saying, "This is my message to you-ou-ou"

Welcoming Song: "You've Got a Friend in Me"

By Randy Newman

"You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me
You've got a friend in me
You've got a friend in me
If you've got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and can see it through
Cause you've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you
The way I do, it's me and you
Boy, and as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
You've got a friend in me"
