

Unitarian Universalist congregations affirm and promote eight Principles, which we hold as strong values and moral guides.

- 1) The inherent worth and dignity of every person;
- 2) Justice, equity and compassion in human relations;
- 3) Acceptance of one another and encouragement to spiritual growth in our congregations;
- 4) A free and responsible search for truth and meaning;
- 5) The right of conscience and the use of the democratic process within our congregations and in society at large;
- 6) The goal of world community with peace, liberty, and justice for all;
- 7) Respect for the interdependent web of all existence of which we are a part;
- 8) Journeying toward spiritual wholeness by working to build a diverse and multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

Centering Hymn and Covenant

#123 "Spirit of Life" / #31 "Fuente de Amor"

*Words and Music by Carolyn McDade, Spanish lyrics by Ervin Barrios*

Spirit of Life, come unto me; Sing in my heart all the stirrings of compassion.

Sing in my heart all the stirrings of compassion.

Blow in the wind, rise in the sea;

Move in the hand, giving life the shape of justice.

Roots hold me close; wings set me free;

Spirit of Life, come to me, come to me.

Fuente de Amor, ven hacia mí. Y al corazón, cántale tu compasión.

Sopla al volar, sube en el mar, Hasta moldear la justicia de la vida.

Arrágame, libérame, Fuente de Amor, ven a mí, ven a mí.

Fellowship Covenant

"May love be the spirit of this congregation;
